We offer enrollment to our existing students and families first, but we are happy to add you to our list of potential students. We use the information you have provided above to plan for our faculty, supplies, and equipment as we face a new school year. For that reason, we require a non-refundable \$50 per student deposit to hold a spot for your student(s). If your student(s) enrolls, that \$50 is applied to our \$150 new student fee. If your student never enrolls, we do not return the \$50 per student deposit. You can pay the deposit through Venmo and return this application through email unless you prefer to come in to visit our school.
